For the BFF Who Stays in the Ski Lodge

She loves going on ski trips. The actual skiing part though? That's a work in progress. Still, she loves getting to the mountains. It's her favorite excuse to layer up, showcase her [Street Ski-inspired fashion sense](#), and enjoy a hot toddy while everyone else freezes on the chairlift.

She won't need a season pass to look good in this fuzzy yet lightweight fleece from [FP Movement](#). It has an easy, roomy fit without feeling bulky or boxy. It's warm and fuzzy yet lightweight, and elastic cuffs keep out the chill on fall hikes and winter getaways. Three zippered pockets means she's got space to stow everything she needs for quick errands or a trip to the gym once she returns to civilization. Available in a range of 19 warm or cool shades, the Hit the Slopes Fleece is a fit for US sizes from 0 to 16, and every level of [winter sports enthusiast](#).
